

Breaking News In Mesopotamia

January 27, 2015

In Need Of Citizens

Mesopotamia has been advancing in the technology field over the years. All the new advances have caused for the civilization to grow in size regarding to land. The civilization is in need of individuals to become citizens and fill all the land that has been added on. Mesopotamia's 2015 feel will make it feel like the most fun and relaxing civilization to date. Stop by and check it out at any time and become a part of the Mesopotamia family!

Dialogues in Art History, from Mesopotamian to Modern:
Readings for a New Century

MUSEUMS

Although our civilization has grown, we have preserved some of our many ancient artifacts in museums. We want to keep our history alive and known to our citizens we have and the citizens to come. Some of the items we have in the museums are sculptures, tablets with writing, houses.

Festivals

Mesopotamia 2015 is full of joyful and exciting festivals and activities. The most popular festival is the music festival that happens every 3rd Saturday of the month. Some of the instruments played are some ancient Mesopotamia instruments to keep the history alive.

“Individual commitment to a group effort - that is what makes a team work, a company work, a society work, a civilization work.”

-Vince Lombardi
